

Computational Mechanics Graduate Program

**Recommendation Letter for Admission to the
Computational Mechanics Master's Program
Academic year 2008/2009**

Please copy this page for each recommender

TYPE OR PRINT

Section A : *(To be filled by the applicant)*

Family and first Name	Date of birth	Degree applied for
		Master's program

Section B : *(To be filled by the recommender)*

Please attach a letter with specific comments of the applicant's strengths and limitations for graduate studies. Descriptions of significant actions and accomplishments and personal qualities related to scholarly achievement are particularly helpful. Several paragraphs are more useful to the admission committee than one or two sentences. **Your letter should be confidential and put in a separate and sealed envelope with this form.**

1- How long and in what capacity have you known the applicant ?

2- Among approximately ----- students, I have known in comparable fields, the applicant would rank in the ----- upper percent. The comparison group is (e.g. undergraduate students in your institution) -----.
